MEMORANDUM FOR: Director of Communications

SUBJECT: Stockpiling of Materiel for Cold War Contingencies

1. Tab A establishes responsibilities in connection with the actual stockpiling of materiel for Cold War contingencies. The PP Staff has been designated as the principal coordinating agent for DD/P and SSA/DDS designated principal coordinating agent for DD/S.

2. As can be seen from Tabs A and B, your Office has a support role in the development of the contingency stockpile requirements. Members of the PP Staff and support components will be requesting assistance from your staff. Your participation and assistance in the development of the communications contingency support requirements will be appreciated.
